

## TO ALL PARENTS AT RÖDABERGSSKOLAN

You are all invited to our International Evening  
On Tuesday 24<sup>th</sup> October 2017  
Time: 18.00-19.30

**Our International day** is one of the most exciting days of the year. With 70-80 nationalities represented in Rödabergsskolan, this day is important! Especially in these days when conflicts and disregards of human rights make people forget that we must solve the future together. During the day our students work with themes and they will also celebrate with a 'Parade of Nations' where children from Sweden and all over the world share music, songs and dance. In recent years we have also taken the opportunity to meet in the evening, and this year is not an exception. The evening event gives all of us the opportunity to enjoy what makes this school so very special, as well as to meet other families from Sweden and across the world.

This is a "potluck" event and a "taster evening", which means that every family should bring a main course dish or a dessert to share. This may be a traditional dish from your home country **or from any country from around the world.**

***We hope to see you there!***

We need this:

- A list of ingredients and the name of the dish, together with a mini flag of the country that it is from should be presented with each dish.
- The food should be divided into small portions so that it is easily distributed.
- Serving utensils need to be provided with each dish.
- Water will be provided but please feel free to bring your own drinks (nothing alcoholic).
- If you have traditional clothing that you would like to wear to the event it would brighten up the evening even more!

There will not be an entrance fee, however in connection to this celebration of our global family we will be raising money to help UNHCR - the United Nations Refugee Agency- to buy much needed tents. You can do this already by going to:

Otherwise you can Swish a donation to 9001645, writing "redhill" in the message section

*We would very much like volunteers to stay behind a short while after the event to help us clean up. Thank you!*
